

8th Annual Brian Hermans Memorial March 27th

We have raised almost \$24,000, which has gone to The Boy's and Girl's Club and in some cases, a needy family. Special thanks go to the Hermans' family, as they have been a major contributor. Western Racquet has donated the court time, Bernie Scheer has donated shirts and several others have volunteered their time and efforts.

We will continue to have a doubles throwback to the 70's. One player from each team (Determined by the committee) will use a racquet from the past. The racquets will need to be approved by the tournament committee.

We will draw teams as we have in past years. Format will be a round robin, one game to 15. Total points will win each division and the leaders will playoff in a one 21-point game for the championship.
